NOTICE OF NON-COMPLIANT AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Notice of Non-Compliant Amendment dated May 7, 2003, Applicant supplies herewith a clean copy of the specification as requested. It is noted, however, that pursuant to the Official Gazette notice regarding Amendments in a Revised Format Now Permitted, the provisions of 37 CFR 1.121 have been waived for amendments to the claims, specification, and drawings. Furthermore, in Section IV of that Gazette notice, it is specifically stated that no accompanying "clean" shall be supplied. Thus, one was not supplied upon filing the amendment.

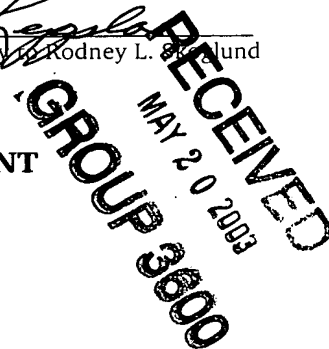

Nevertheless, Applicant has complied with this notice and attach a clean version of the specification.

No fees are presently believed due. Should the Examiner care to discuss this issue in greater detail, the undersigned attorney would welcome a telephone call.

Respectfully Submitted,

Rodney L. Skoglund
